### Gather the Supplies

When we begin a creative project, we gather the supplies. We are God's supplies to continue creatively building a better world. As worship begins, we affirm our partnership with God and each other in this creative work.

### Getting Our Hands Dirty

Once we have heard the call to creativity, we just have respond, to jump in and get our hands dirty in the work, play and creative problem-solving. We pray and offer what we can to bring more life and joy into the world.
